

Actions to stop doing:

We should stop meeting outside of the classroom and meet in our assigned room so that we can update the scrum board and burnup chart more effectively in real time.

Actions to start doing:

We should start using a physical Scrum board so that it is easier to see what tasks are finished and what tasks need to be done.

Actions to keep doing:

We should keep having Scrum meetings after lecture to ensure all team members will be present.

Work completed/not completed:

Completed Work:

- As a user I want a dashboard so I can navigate the application
- As a user I want to be able to register so that I can use the application
- As a user I want to have a friends list to make a payment group.
- As a user I want a dashboard so I can see all of my bills.
- As a user I want to be able to create an even split bill so that I can get my money.
- As a user I want to be able to create a custom split bill so I can get my money.

Incomplete Work:

- As a user I want an aesthetically pleasing UI so it's easy to use and navigate.

Work completion rate:

Story Points completed: 12

Ideal work hours completed: 22

We spent 7 days on this sprint.

$12/7 = 1.7$ story points/day

$22/7 = 3.14$ ideal hours/day
